WHEREAS, the Mayor and the Council acknowledge that the Fiscal Year 2010 Budget reflects the best estimate of the Mayor and the Council regarding projected revenues and expenditures and that such estimate is simply a financial plan that may require adjustments in view of the available resources; and

WHEREAS, this Statement of Budgetary Principles is intended to facilitate better communication on fiscal matters between the Council and the Mayor and to establish a framework for the administration by the Mayor of the Fiscal Year 2010 Budget in light of the respective duties of the Mayor as Chief Executive Officer and Chief Budget Officer of the City, and the duties of the Council as the legislative and policy setting body of the City, and in light of the obligation of public officials to keep the public apprised of the conduct of the City's financial affairs;

Accordingly, the Mayor and the Council hereby agree to adhere to the following budgetary principles for the Fiscal Year 2010 Budget:

Fiscal Year 2010 Budget---Communication

1. The Mayor, or his designee, will provide reports to the Council on a quarterly basis regarding the administration of the affairs of the City. These reports can be given verbally, and are intended to improve the flow of information between the Mayor, Council and public.
2. The Council President will provide time on the Council's agenda for the Report of the Mayor.
3. Under pre-defined criteria as set forth below, the Mayor will provide Council with prior written notice of the elimination of any program or service funded by the Fiscal Year 2010 Budget. The notice shall describe with reasonable specificity the budgetary and/or fiscal rationale supporting the elimination of the program or service, and the service level impact, if any.
4. The Mayor will also provide Council with prior written notice of a material or significant reduction in any program or service affecting the community based on the criteria set forth below. Such notice will consist of a memo from the Mayor to the Council and the City Clerk describing the budgetary and/or fiscal reasons supporting the change, and the likely service level impact. Notwithstanding the forgoing, the Mayor need not give notice of any change or modification that results in a more efficient delivery of public services and that accomplishes the legislative intent.

Written notification of a service or program reduction will be triggered by criteria based on four categories of Activity Level (OCA) as identified in the City's Financial Accounting System and the corresponding size of the proposed service reduction:

Cost of Activity (OCA)	Up to \$2.0M	\$2.0M to \$5.0M	\$5.0M to \$10.0M	\$10.0 M Plus
Service Criteria Trigger	\$200,000+	\$500,000+	\$1.0M+	\$1.5M+

In the future, “cost center” is the comparable terminology for OCA or Activity, which will account for the cost of a service or program, as the City transitions to a new accounting and financial system (OneSD).

Notwithstanding anything herein to the contrary, the Mayor shall provide written notice to the Council, as part of the Auditor’s reports as required by Charter Section 39, and also as part of the Mayor’s next quarterly report to the Council, when the cumulative amount of Fiscal Year 2010 budgetary reductions undertaken for any reasons reaches 3% of the General Fund of the City, or 3% of any other Major Fund of the City (provided that any such reductions shall not cause the City to breach or violate any covenant or other obligation to which such Major Fund may be subject). Such notice shall describe the nature of the budgetary reductions, the fiscal reasons therefor, and the impact on City services, if any. For purposes of this paragraph, Major Fund of the City shall mean the Water Enterprise Fund, the Sewer Enterprise Fund, the Development Services Enterprise Fund, and the Airports Enterprise Fund.

Fiscal Year 2010 Budget---Appropriation Ordinance

1. Neither the Mayor nor the Council has unilateral authority to make changes to the spending authority contained in the Fiscal Year 2010 Budget.
2. The Mayor shall in good faith fulfill the legislative intent reflected in the adopted Fiscal Year 2010 Budget, including the appropriations reflected in the Fiscal Year 2010 Appropriation Ordinance. However, the Mayor has discretion to effectively and efficiently spend public monies, and shall not be obligated to spend all the money the Council has appropriated if there is a less costly means of accomplishing the Council’s stated purposes.
3. The Council shall have no authority to make or adopt changes to the Fiscal Year 2010 Budget without first receiving a funding recommendation of the Mayor. The Mayor will provide such funding recommendation within 30 calendar days of the Council request, or such later period as contained in the request of the Council.
4. In accordance with Charter sections 28 and 81, the Mayor has the authority to allocate Fiscal Year 2010 Budget appropriations within departments in order to best carry out the Council’s legislative intent.

5. The Appropriation Ordinance implements the Fiscal Year 2010 Budget, as approved by the Council. The Appropriation Ordinance shall specify the spending authority by Department and by Fund, and all other conditions, authorizations and requirements appropriate therefore. The Appropriation Ordinance will include necessary budget delegation to carry out the business of the City; provided however, the Appropriation Ordinance will not include Policy directions.
6. The Council may restore a program or service which has been recommended for elimination or reduction by the Mayor by docketing and considering such action upon the request of four Council members.

The Statement of Budgetary Principles applies to departments and programs that are under the direction and authority of the Mayor, and shall not apply to offices independent of the Mayor. This Statement of Budgetary Principles is subject in all respects to the provisions of the City Charter.
